Equality and Inclusion Projects Service Information Booklet

Equality and Inclusion Services

Equality Impact Risk Assessments (EIRAs)

Our specialist project team are highly experienced in producing assessments to identify equality risks and meet legal requirements.

Insight, Data and Informatics

Our team are experts in gathering health informatics and intelligence to support population health management, in line with the NHS Long Term Plan.

We provide profiling data on localities supporting organisations to meet their equality duties and tailor healthcare initiatives.

Bespoke Equality Training

Our team are able to deliver a wide range of bespoke training to meet your needs.

Our customers

- Integrated Care Systems (ICS)
- Primary Care Professionals (GPs)
- Hospital Trusts
- Other Organisations
