The Provider Trust Team

Full complement of financial accounting services.

Ledger Expertise

- Managing ledger mergers and implementation
- Extensive experience of working with ISFE and Integra and managing third party relationships
- Supporting NHSE with SMEs for the delivery of major projects.

Continuous Improvement

- Through automation, including RPA, (bot), Power Automate, Sequel and other technologies we have saved significant processing time
- Investment in Prince 2 and Lean training
- Combined offer with our Digital colleagues to Trusts to drive efficiencies.

Resourcing & Project Support

- Using our own qualified accountants or our trusted associates we can provide temporary resources
- With 4 other CSU teams who have qualified accountants we can provide very flexible solutions in a number of disciplines through our consultancy offer.

MLCSU is an exemplar.

NHSE statement regarding Service Auditor Reporting (2019)

Excellent Feedback from Customers. Score of 4/4

“The Finance function continues to work to a very high standard and their continued support has been invaluable over a very stressful and busy time”

Head of Finance LLR ICB
